HiKu Mono PERC
400 W ~ 425 W
CS3N-400|405|410|415|420|425MS

MORE POWER

- Module power up to 425 W
- Module efficiency up to 20.9%
- Lower LCOE & BOS cost
- Comprehensive LID / LeTID mitigation technology, up to 50% lower degradation
- Better shading tolerance

MORE RELIABLE

- Minimizes micro-crack impacts
- Heavy snow load up to 5400 Pa, enhanced wind load up to 2400 Pa*

*Black frame product can be provided upon request.

- 12 Years Enhanced Product Warranty on Materials and Workmanship*
- 25 Years Linear Power Performance Warranty*

- 1st year power degradation no more than 2%
- Subsequent annual power degradation no more than 0.55%

*According to the applicable Canadian Solar Limited Warranty Statement.

PRODUCT CERTIFICATES*
- ISO 9001: 2015 / Quality management system
- ISO 14001: 2015 / Standards for environmental management system
- IEC 61215 / IEC 61730 / CE
- FSEC (US Florida)
- UL 61730 / IEC 61701 / IEC 62716
- UNI 9177 Reaction to Fire: Class 1 / Take-e-way

* The specific certificates applicable to different module types and markets will vary, and therefore not all of the certifications listed herein will simultaneously apply to the products you order or use. Please contact your local Canadian Solar sales representative to confirm the specific certificates available for your Product and applicable in the regions in which the products will be used.

CSI Solar Co., Ltd. is committed to providing high quality solar products, solar system solutions and services to customers around the world. Canadian Solar was recognized as the No. 1 module supplier for quality and performance/price ratio in the IHS Module Customer Insight Survey, and is a leading PV project developer and manufacturer of solar modules, with over 50 GW deployed around the world since 2001.
The specifications and key features contained in this datasheet may deviate slightly from our actual products due to the ongoing innovation and product enhancement. CSI Solar Co., Ltd. reserves the right to make necessary adjustment to the information described herein at any time without further notice.

Please be kindly advised that PV modules should be handled and installed by qualified people who have professional skills and please carefully read the safety and installation instructions before using our PV modules.
